Safety Instructions:

- Please ensure that the storage box is properly assembled and that all parts are fully assembled to prevent it from falling.
- Do not use the storage box in areas with excessive moisture, extreme temperatures or near heat sources to avoid damage due to material deformation.
- Ensure that the swivelling tray and storage box are not overloaded to avoid breakage or damage.
- Keep the product away from direct sunlight to prevent colour changes and material degradation.
- Ensure that the dividers can be moved to prevent objects from falling out unintentionally.
- Keep the storage box away from children. Not suitable for children under 3 years of age due to choking hazard from small parts.
- Ensure that the swivel tray is securely attached to horizontal surfaces to avoid the risk of tripping and falling.
- When swivelling the storage box, make sure that no objects are in the way to avoid injury.
- Be aware of the risk of crushing fingers when using the turning mechanism.
