Safety Instructions:

- Not suitable for use by children as the product looks like a real camera and may tempt them to use it inappropriately.
- The product must not be used in areas where it is exposed to the constant effects of the weather, as it is a dummy and is not waterproof.
- Batteries not included; use only suitable batteries and replace them regularly to ensure functionality.
- Clean regularly to remove dust and deposits and to ensure trouble-free operation.
- Carry out a function test once a month and after every battery change.
