Article Number: 175908

Safety Instructions:

- The monitor arm may only be used with monitors intended for this purpose that comply with the VESA standards 75 x 75 mm or 100 x 100 mm.
- Regularly check that the monitor is securely attached to the arm to prevent it from falling.
- Assembly should be carried out in accordance with the enclosed instructions to ensure the stability and safety of the product.
- Keep the product away from children to avoid injury.
- Avoid overloading the monitor arm with more than 10 kg to prevent damage or injury.
- Make sure that no cables are trapped under the monitor arm, as this could cause damage.
