Article Number: 175909

Safety Instructions:

- If the monitor arm is mounted incorrectly, it may fall over and cause injury.
- The maximum load capacity is 10 kg per monitor. Do not exceed this.
- Ensure that the monitor arm is mounted on a stable table edge to prevent it from falling over.
- Avoid use with older monitors that are not suitable for the location.
- Ensure correct cable management to avoid tripping hazards.
- This product is not suitable for use by children under the age of 14.
