Safety Instructions:

- Ensure that the workbench is only used by trained personnel.
- The maximum load of 500 kg must not be exceeded.
- Always check the workbench for damage or wear before use.
- No heavy objects may be pushed off the workbench.
- The workbench must be set up on a stable and level surface.
- Do not carry out any mechanical manipulations on the workbench that could jeopardise safety.
- Use the workbench out of the reach of children and unauthorised personnel.
- Product not suitable for children under 12 years of age.
- Use suitable protective equipment (e.g. gloves, safety goggles) during installation.
- Ensure safe handling in accordance with the manufacturer's instructions.
- Ensure that chemical cleaning agents that could attack the surface are not used.
