Safety Instructions:

- Ensure that the PE film does not come into contact with naked flames or temperatures above 60°C.
- Avoid direct skin contact to prevent possible skin irritation.
- The film should be kept away from sharp objects to prevent damage.
- Dispose of the film in accordance with local regulations for plastic waste.
- Not suitable for direct contact with food.
- Secure the film properly to avoid the risk of tripping.
- The manufacturer must provide instructions for safe use.
