

Product Safety Information

Magnetic C-profile as roll material

Manufacturer/Responsible Person: Sanders Group, Industriepark 3, 5663 PG Geldrop, The Netherlands

E-Mail: info@sandersgroup.eu

Please note the technical data of the products!

Article Numbers: 56859, 56858, 56857, 56856, 56855, 56854, 56853

Safety Instructions:

- Keep out of the reach of children as it contains small parts that could pose a choking hazard. Not suitable for children under 3 years of age.
- Choking hazard due to improper use or loose parts. Smaller parts could be detached, therefore unsuitable for children.
- Safety instructions regarding magnetic properties: Do not use near electronic devices, credit cards or implants as damage or interference may occur.
- When using on ferrous surfaces, ensure that the product does not fall or come loose. Non-ferrous surfaces can impair adhesion and functionality.
- Do not store the product near magnetic cards or electronic devices, as these could be damaged.
- Before use, ensure that the surface is clean and free of dust or grease.
- Ensure that use on ferrous surfaces does not cause any unauthorised movement or chipping to ensure safety.
- Avoid contact with water so as not to impair the magnetic properties and durability.
- Ensure that the product is protected from extreme temperatures.
- Clear instructions and safety information must be included to ensure safe use.
- Magnetic attraction can cause injuries, take care when in close proximity to electronic devices and medical products.
