Safety Instructions:

- The product is not suitable for use by children. Not suitable for children under 3 years of age due to choking hazard from small parts. Please keep out of the reach of children to avoid choking hazard from the cord/small parts. Make sure that the cords cannot be wrapped around children's necks to prevent the risk of strangulation.
- Use only for the intended purpose. The product is only suitable for the storage and packaging of foodstuffs. Use only in the intended context to ensure food safety.
- Food-safe, therefore safe for contact with food. Not suitable for direct contact with hot food. The bags are not suitable for contact with hot food or liquids.
- Please keep away from direct sunlight to ensure material durability. Store the product in a cool, dry place to ensure material integrity.
- Take care when storing to avoid damage. Avoid contact with sharp objects that could damage the material.
- Dispose of the product in accordance with local or applicable regulations for plastic waste.
- Observe the general hygiene regulations when using for foodstuffs.
- Food packaging and bags should never be left behind during consumption to avoid the risk of choking.
