Safety Instructions:

- The add-on counter must be mounted securely and stably to prevent it from tipping over. Pay attention to the stability of the construction during assembly and use.
- The manufacturer's instructions must be followed during installation. Incorrect installation may jeopardise the safety of the product.
- Sharp edges and corners can cause injuries. Care must be taken when using the appliance. Make sure that there are no loose parts that could cause injury.
- Not suitable for outdoor use to avoid corrosion and other damage.
- Furniture should be checked regularly for stability and possible damage.
- Avoid overloading the work and storage surfaces in accordance with the specified dimensions.
- Assembly should be carried out by a person who understands the instructions and is confident in using tools.
- Keep the work areas free of obstacles to avoid injuries from falling.
