Safety Instructions:

- Do not use near sources of fire or in areas with a high risk of fire. Material is flame retardant, but caution is advised.
- Do not use 100% alcohol or bleach for cleaning to avoid damage.
- Safety during cleaning: Only use recommended cleaning agents and commercially available disinfectants.
- Partition wall/room divider for indoor use only; not suitable for outdoor use.
- Ensure that the partition/room divider is stable and that the stainless steel feet are correctly installed to prevent tipping.
- Regularly check fixings and general condition to ensure that the room divider remains safe and functional.
- Take care when using soundproofing materials to avoid allergic reactions.
- Appropriate inspection and maintenance is required for use in public or commercial areas.
- Do not use room dividers as toys.
- Leave enough space when setting up to avoid injuries.
- Always use the product in accordance with the manufacturer's recommendations.
