### Safety Instructions:

- Before installation, check that the wall bracket is suitable for the type of wall (e.g. concrete, plasterboard).
- Observe the maximum load capacity of 35 kg to avoid dangerous situations.
- Ensure that all fastenings are tightened and regularly checked for tightness.
- Ensure that all cables are safely managed to avoid electrical hazards and tripping hazards.
- Installation must be carried out in accordance with the manufacturer's instructions.
- There is a risk of the television falling if it is not installed correctly.
