Please note the technical data of the products!

Article Number: 300948

Safety Instructions:

- Keep batteries out of the reach of children, as there is a risk of suffocation from small parts.
- Do not use in a fire or at high temperatures, as this could damage the battery and cause a risk of leakage or explosion.
- Do not short-circuit batteries as this can lead to overheating, fire or explosion.
- Batteries must not be taken apart, punctured or burnt.
- Dispose of used batteries in accordance with the applicable laws on battery recycling.
- Do not bring batteries into contact with water or other liquids.
