### Safety Instructions:

- Not suitable for children under 3 years: Choking hazard due to small parts.
- Sharp edges and corners can pose a risk of injury.
- Ensure that the clothes locker is placed on a stable, level surface to prevent it from tipping over.
- Make sure that the clothes locker is stable and cannot tip over.
- Avoid overloading the spindle to prevent it from collapsing or breaking.
- Use of the product is only recommended indoors.
- Follow the instructions for installation and use carefully to minimise safety risks.
- Keep the clothes locker away from sources of water to prevent corrosion.
- Take particular care when using keys: If keys are lost, a locksmith should be called in immediately.
- The use of the damping mechanisms on the doors should be kept under control to avoid injuries.
- Do not block the ventilation slots to ensure air circulation.
- Beware of the risk of injury from falling objects or unsecured parts.
- Explanation of the proper care and cleaning of the powder-coated material.
