Article Numbers: 133795, 133794, 133793, 133792, 133787, 133786, 133785, 133784

Safety Instructions:

- Ensure that the clothes locker is placed on a stable and level surface to prevent it from tipping or falling over.
- Do not store heavy objects in excess of the maximum recommended load; avoid overloading the compartments.
- Regularly check the connections, fastenings and stability of the spindle, as well as the locking mechanisms.
- Use a strap to secure the cabinet to the wall to minimise the risk of falling.
- If there are any signs of damage or wear, stop using the cabinet and arrange for an inspection.
- Take care when using near sources of water or heat.
- Regularly check hinges, locks and doors for damage; close doors securely to prevent crushing.
- Do not place any sharp objects in the locker or allow contact with them to prevent injury and damage.
- Assembly should only be carried out by adults to avoid injury, using clear instructions.
- Ensure that the body has no sharp edges and that the powder coating remains undamaged.
- Suitable for children with age labelling and information on potential risks.
- Not suitable for children under 3 years of age without supervision to avoid injury.
- Safety warning: Only suitable for indoor use.
- Keep ventilation strips and ventilation openings clear for optimised air circulation.
