Safety Instructions:

- Ensure safe assembly and installation of the clothes horse to avoid the risk of it falling over.
- Position on floors that are not smooth and stable to avoid the risk of slipping and tipping.
- Ensure that the locker is on a level surface to prevent the risk of tipping.
- Follow the manufacturer's instructions exactly during installation to ensure safety standards.
- If necessary, secure the clothes locker with a wall mounting.
- Store heavy objects on the lower shelves, do not load them beyond the permitted level to prevent tipping.
- Avoid overloading the doors or shelves.
- Regularly check for damage, rust or loose parts to ensure safety.
- The product is only suitable for indoor use.
- Avoid placing the clothes locker near water sources to minimise electrical risks.
- Do not expose the product to direct contact with water or other liquids, keep it dry and clean.
- Make sure that all parts are tightly closed.
- Ensure that the product packaging contains safety information in understandable language.
- The product is not suitable for use by children under the age of 14, small parts may present a choking hazard for children under the age of 3.
- Observe suitable disposal measures in order to comply with environmental standards.
- Users should be provided with safety instructions for the proper use and maintenance of the product.
- Use of the clothes spindles is at your own risk and should only be used for the intended purpose.
