Safety Instructions:

- Not suitable for children under 3 years due to possible choking hazard from small parts.
- Make sure that the clothes locker is placed on a stable, level surface to prevent it from tipping over.
- Children may only use the clothes horse under adult supervision.
- Use the product only for its intended purpose to avoid damage and accidents.
- Do not continue to use if damaged or showing signs of wear.
- Regularly check the functionality of the door mechanism and locks.
- Handle the use of sharp tools with care during installation and wear suitable protective equipment.
- Ensure that the clothes locker is dry and protected from moisture to prevent corrosion.
- The clothes locker is not suitable for outdoor use.
- Protect your fingers when closing the doors and check the door mechanism regularly to prevent crushing.
- NOTE: The product may have sharp edges, take care when handling and installing.
- Please observe the maximum load capacity and do not overload the clothes locker to avoid structural damage.
- Make sure that the clothes locker is checked for signs of wear and tear during heavy use to ensure stability.
- Do not use any aggressive cleaning agents on the surface coating.
- Check the product regularly for damage.
- Keep the product away from heat sources and naked flames to avoid the risk of fire.
- Ensure that the product is securely mounted to prevent it from tipping over.
