Safety Instructions:

- Ensure that product labelling and warnings are clear and understandable.
- Use of the clothes spindles is only recommended by trained persons.
- Observe safety precautions during assembly to avoid injuries.
- Carry out regular inspections to avoid sharp edges or other hazards on the locker.
- Improper use can lead to tipping over, so follow the instructions carefully.
- Lock doors properly when closed to prevent injuries.
- Do not place heavy or large objects on the top of the locker to prevent it from tipping over.
- Secure the wardrobe properly to the wall to prevent it from tipping over.
- When closing the doors, ensure that no body parts are trapped.
- Avoid using unauthorised keys or tampering with the security turning bolt.
- Follow the assembly instructions exactly for safe use of the clothes locker.
- Clothes locker not suitable for children without supervision.
- Check that all safety devices are working properly.
- In the event of damage or wear, contact the manufacturer or dealer immediately.
- The clothes locker must be stable on a flat surface to prevent it from tipping over.
- Avoid overloading the doors to prevent damage.
- Only use the clothes locker for its intended purpose.
- Not suitable for children under 3 years, be careful with small parts.
- No direct contact with water to prevent corrosion.
- Check regularly for damage to minimise safety risks.
- Observe the maximum load and load capacity.
- Only use in suitable rooms to avoid overloading.
- Avoid sharp edges and corners to prevent injuries.
- Keep the cabinet dry to prevent rust from forming.
- Heavy objects should not be able to fall from the wardrobe.
- Ensure safe use, especially for children or vulnerable persons.
- Read the enclosed installation and safety instructions carefully.
