Article Numbers: 139186, 139183, 130802, 130799, 130784, 130781, 130766, 130763, 130730, 130727, 130712, 130709, 130694, 130691, 130676, 130673

Safety Instructions:

- Choking hazard if used incorrectly or in the vicinity of small children; not suitable for children under 3 years of age due to small parts.
- Risk of injury from sharp edges or corners; avoid contact with sharp objects.
- Ensure that the wardrobe is stable and secure on a level surface to prevent it from tipping over.
- Do not overload; observe the maximum load capacity to avoid structural damage or tipping of the wardrobe.
- If you have any problems or questions, please contact the manufacturer or seller.
- Regular inspection for damage or wear and tear to ensure safety.
- Make sure that the doors are always properly closed to avoid injury.
- Check clothes lockers regularly for structural integrity.
- Use only in accordance with the enclosed instructions and the intended purpose in order to avoid hazards.
- Do not use in damp environments to avoid rust formation and corrosion.
- The product is heavy (approx. 60 kg); be careful when lifting and transporting to avoid physical injury.
- Keep out of the reach of children and use under supervision to avoid danger.
- The use of a padlock is recommended to prevent unauthorised access to personal items.
- Check the stability due to the weight of 60 kg.
- Take particular care when used by vulnerable consumers such as children.
- Product should contain clear instructions and safety information in understandable language.
- During installation, the instructions supplied must be followed exactly and suitable tools and protective clothing must be used.
