Safety Instructions:

- Make sure that there are no sharp edges or corners to avoid injury.
- Use the product in accordance with the instructions provided and only for its intended purpose.
- Avoid storing heavy items on the clothes locker or in excess of the permitted weight to prevent stability problems and damage.
- Ensure that the clothes locker is placed on a level, stable surface and is firmly anchored to prevent it from tipping over.
- Not suitable for children under 3 years of age due to potential danger from small parts or other risks. Supervise children in the vicinity of the product.
- Regularly check all door and locking mechanisms as well as the overall structure and stability for functionality and damage.
- Avoid blocking the ventilation openings to ensure sufficient air circulation.
- Secure the lock properly to prevent unauthorised access.
- Make sure that no sharp tools or objects damage the wardrobe.
- Use only under the guidance and supervision of adults.
