Safety Instructions:

- Not suitable for children under 3 years of age due to choking hazard from small parts. Supervision is recommended.
- Observe the maximum load capacity of the bench seat.
- Ensure that the cabinet is standing on a stable, level surface to prevent it from tipping over.
- If handled incorrectly, the cabinet may be heavy, seek assistance when lifting.
- The cabinet may tip over if used incorrectly; follow the assembly instructions carefully.
- Avoid overloading the cabinet and compartments to prevent structural damage and injury.
- The twist lock is secure, use a suitable padlock (5-7 mm shackle thickness recommended) to protect contents.
- The doors should always be fully closed to avoid injury.
- Check the stability of the bench regularly, not suitable for several people.
- Do not use the cabinet for storing flammable materials and keep it away from heat sources.
- Carry out regular inspections for damage and ensure that all parts are fitted correctly.
- Avoid placing heavy objects on the top surface of the locker to ensure stability.
- Do not sit or stand on the wardrobe to prevent falls.
- Avoid moisture, as wooden mouldings can be damaged by moisture.
