Safety Instructions:

- The product may contain sharp edges that can cause injury.
- Not suitable for children under 3 years. Small parts may pose a choking hazard.
- Regularly check the wardrobe for stability and damage, especially if it is used frequently.
- Secure mounting and placement on a stable, level surface to prevent tipping.
- Only suitable for indoor use and must be installed by qualified persons.
- Do not overload the clothes locker and observe the maximum load capacity to prevent instability.
- Use security twist locks and cylinder locks properly to prevent theft and unauthorised opening. Use a padlock with a shackle thickness of 5-7 mm.
- Before use, ensure that all parts are correctly fitted and in working order.
- Pay attention to the protection of children and vulnerable persons, especially with small parts.
- Only use in accordance with the manufacturer's instructions in order to minimise safety risks.
- Be aware of the risk of injury: Keep hands away from doors when closing, do not lean on doors.
- Ensure regular inspection of doors and locks.
