Safety Instructions:

- Choking hazard due to small parts, therefore keep product away from small children and set up safely to avoid injury.
- Risk of injury due to improper use, avoid sharp edges and carry out regular maintenance.
- Mount the product on a stable and level surface to prevent it from tipping over; use height-adjustable shelves.
- Use only for the intended purpose to avoid overloading and structural damage.
- Use a security twist lock and check it regularly to prevent unauthorised access.
- Not suitable for children under 3 years of age as there is a potential risk of injury and choking.
- Carry out assembly and installation in accordance with the instructions in order to avoid safety risks due to instability.
- Avoid excessive load on clothes rails and hat shelves to ensure stability.
- Check the product regularly for visible damage and loose parts to guarantee functional safety.
- The clothes locker should not be installed in damp or extreme temperatures.
