Safety Instructions:

- Please note that the doors of the clothes locker are full-length doors that should not be used improperly to avoid crushing.
- Take care not to place heavy objects on the pot rack or clothes rails and do not overload them to prevent them from tipping over or breaking.
- Secure the clothes locker with a suitable padlock (shackle thickness 5-7 mm) or cylinder lock to prevent unauthorised access.
- Keep the clothes locker in dry conditions and avoid direct sunlight to prevent deformation and rust.
- Use suitable aids or support when moving the clothes horse.
- Before using the clothes horse, ensure that it is stable and on a level surface.
- The clothes locker should be properly installed to minimise risks.
- Always keep the clothes locker closed.
- Use only for its intended purpose; not suitable for flammable or hazardous materials.
- Avoid prolonged contact with water.
- Provide child safety locks and place the product out of the reach of children.
- Follow the installation instructions carefully.
- Watch out for sharp edges and corners during assembly and use.
- Check regularly for damage or wear and tear and repair or replace if necessary.
- Ensure that the ventilation is not blocked.
- Choking hazard due to small parts; prevent through proper handling.
- Not suitable for outdoor use.
- Check clothes rails and hooks regularly for stability.
- Use furniture glides when moving to protect the floor.
- Do not hang any heavy objects on the doors, as this may affect their stability.
- The product should not be used by children under 36 months.
- Note: Product is intended for storing clothes.
