Safety Instructions:

- Caution: There is a risk of injury due to improper use. Keep all body parts and clothing away from the moving parts of the appliance.
- The document shredder should only be used by adults. Keep children and pets away from the machine.
- Do not use the document shredder for materials other than those recommended, e.g. incompatible types of plastic or thicker materials.
- Ensure that the appliance is not overloaded. Overloading could lead to malfunctions or damage.
- Avoid contact with water or other liquids. This could lead to an electric shock.
- The document shredder must not be left unattended, especially during continuous operation of up to 45 minutes.
