Safety Instructions:

- Ensure that the product is stable and safe and use it in accordance with the instructions provided.
- Avoid excessive strain and improper use of the product to prevent damage or injury.
- Assemble the sorting station carefully according to the instructions and read the assembly instructions thoroughly to ensure stability and safety.
- The product is not suitable for children under 3 years of age as it contains small parts that pose a choking hazard.
- Do not use the product near water or in damp environments to avoid the risk of electric shock and electrical damage.
- Avoid aggressive cleaning agents to prevent damage to the material.
- The product is not suitable for outdoor use.
- Ensure that the product is placed on a stable surface to prevent it from tipping over.
- Keep the product away from high pressure and heavy objects.
- Prevent improper handling of lightweight parts to avoid injuries caused by falling.
- Suitable for commercial and domestic use; note the load-bearing capacity and stability.
- Observe the warnings in the installation instructions to avoid injury.
- Ensure that the product meets the technical safety requirements.
- Consumers must be informed in the event of a product safety recall.
