Safety Instructions:

- Follow the assembly instructions to ensure safety and stability.
- Avoid placing heavy objects on the product to prevent it from tipping over.
- Regularly check the connections and parts for wear or damage.
- The product must not be used by children without adult supervision.
- Secure the product on a level and firm surface to ensure stability.
- Suitable personal protective equipment such as gloves and safety goggles must be worn to ensure safe handling of the stabilising strut.
- Ensure that the stabilising strut is correctly fitted and securely fastened to prevent accidents caused by falling over.
- Only use the stabilising strut as intended and not for other purposes in order to avoid hazards.
- Make sure that the stabilising strut is checked regularly for damage or wear to ensure safety.
- Keep the stabilising strut out of the reach of children.
