Article Numbers: 144401, 144400, 144399, 144398

Safety Instructions:

- Observe the maximum load capacity of 110 kg.
- Ensure height adjustment before use to minimise the risk of falling.
- Products are only suitable for a recommended daily sitting time of max. 4 hours.
- Be vigilant with regard to stability when sitting on uneven surfaces.
- Unsuitable for children as the product is not designed as a toy.
- Make sure that the seat height is set correctly to ensure optimum ergonomics.
- Avoid use near sources of heat or naked flames.
- Ensure that the surface is non-slip during use.
- Keep the product out of the reach of children.
- Read the instructions for use carefully and follow them.
- Risk of suffocation due to improper use or use by children.
- Risk of slipping due to incorrect use when handling the standing/sitting aid.
- Take care when using in the vicinity of electrical appliances.
- The sit/stand aid can tip over if it is used incorrectly - ensure stability.
- Take care when using on uneven surfaces - jeopardise stability.
- Check the height of the sitting and standing positions regularly - minimise the risk of injury.
