Safety Instructions:

- Scissors are sharp tools. Take care when cutting to avoid cuts.
- The scissors are not suitable for children. Keep them out of the reach of children to minimise the risk of injury.
- Avoid direct contact with the skin to prevent cuts or abrasions.
- Only use the scissors for their intended purpose in order to minimise potential hazards and damage to the cutting edges.
- Store the scissors safely after use to avoid accidents.
- The scissors are designed for right-handed users only, which may cause uncertainty for left-handed users if used incorrectly.
