Please note the technical data of the products!

Article Number: 137895

Safety Instructions:

- Store and use safely: Ensure that the shelf is not overloaded (observe max. load capacity).
- Take care during installation: Incorrect installation can result in injury or damage.
- Avoid sharp objects: Sharp tools or materials can damage the surface of the shelf.
- Store in a dry place: Moisture can affect the structure of the shelf and lead to rust.
- Check regularly for damage: Damaged or bent shelves must be replaced immediately.
