Safety Instructions:

- Make sure that the brochure stand is stable to prevent it from tipping over.
- Avoid excessive load on the compartments to prevent the material from deforming.
- Only use the brochure stand in accordance with the intended conditions of use for optimum results.
- Keep the stand away from naked flames and heat sources to prevent damage to the plastic.
- When used in offices or business premises, sharp objects should not come into contact with the stand in order to avoid scratches or damage.
