Safety Instructions:

- Before using the chair for the first time, assemble it carefully and follow the assembly instructions precisely.
- Avoid sitting on the backrest, armrests or edges or using the chair as a ladder.
- The chair is not suitable for use by children without adult supervision; not suitable for children under 3 years of age due to choking hazard.
- Ensure that the chair is placed on a stable and level surface to prevent it from tipping over.
- Do not use aggressive chemicals to clean the fabric surface in order to avoid damage.
- The chair must not be placed near open flames, heat sources or in damp environments to prevent damage to the wood.
- Ensure that there are no sharp edges or splinters.
- Keep children away from assembly materials and tools to avoid injury.
- Check the stability and safety of the product regularly during use.
- The armchair is not intended for outdoor use.
- Enclose safety information in accordance with the General Product Safety Regulation.
