Safety Instructions:

- When assembling, ensure stable surfaces and make sure that all parts are properly assembled to minimise safety risks.
- Do not use the table as a staircase or for other unforeseen purposes.
- Keep the table surface free of heavy or unstable objects and ensure that the table is stable to prevent it from tipping over.
- Keep children away from the edge of the table and ensure that the edge of the table is not sharp to avoid injury.
- Only use the table in accordance with its specifications (maximum for 4 people).
- Self-assembly should be carried out in accordance with the enclosed instructions in order to avoid safety-related errors.
- Keep the table away from sources of water to prevent damage to the material.
- Check the stability of the table regularly, especially after assembly.
