Article Number: 187778

Safety Instructions:

- Note: The light source may only be replaced by service personnel authorised by the manufacturer or by similarly qualified personnel.
- Be aware of the risk of suffocation in the event of improper handling or insufficient distance from flammable materials.
- Electrical installation must be carried out by qualified personnel.
- When using the multi-sensor, make sure that the sensors are not blocked by objects to ensure proper function.
- Touching the light source during operation can cause burns, especially after long periods of operation.
