Safety Instructions:

- Use the floor lamp in accordance with the manufacturer's instructions.
- Ensure that the light is placed on a stable, level surface to prevent it from tipping over.
- The light must not be used near water or in damp environments.
- The integrated LED lamps are not replaceable; if defective, the entire unit must be replaced.
- Do not touch the light with wet hands.
- The daylight sensor monitors the ambient light; make sure that it is not blocked.
- Avoid using the light if the cable or plug is damaged.
- Not suitable for outdoor use - for indoor use only.
- Choking hazard when used in the vicinity of small children due to the non-replaceable LED lamps.
- Never open the housing to avoid electric shocks.
- The light should not be covered or used near flammable materials to avoid the risk of fire.
- Use only in the intended area of application to avoid injury.
