Article Numbers: 187790, 187789

Safety Instructions:

- Not suitable for use by children as it contains small parts and electrical components to avoid the risk of suffocation or injury from tripping or falling over.
- Choking hazard due to improper handling of small parts.
- Risk of electric shock due to improper handling or damage to the electrical components.
- Do not use within reach of water sources to avoid electric shocks. Do not use the light in water or other liquids.
- Ensure that the daylight sensor and motion detector are working properly to prevent overheating.
- Make sure that the floor lamp is not covered to prevent overheating.
- The LED lamps are not replaceable; the entire luminaire must therefore be replaced in the event of a defect.
- Use of the light is only recommended for persons with limited abilities under adult supervision.
- The light should not be installed near flammable materials.
