Article Number: 177610

Safety Instructions:

- Ensure that the monitor mount is securely attached to the table to prevent it from tipping over or falling.
- Regularly check the screws and fastenings for tightness to ensure safe use.
- Only use monitors that are suitable for this mount (max. 9.9 kg) to avoid overloading.
- Make sure that the height adjustment and the tilt mechanism are not overloaded to avoid possible damage.
- Keep the work surface clear of obstacles to avoid injuries caused by accidents during adjustment or use.
- The bracket may only be installed by adults in order to minimise the risk of injury to children.
