Safety Instructions:

- The board must be placed on a stable, level surface to prevent it from tipping over.
- The castors should be locked before use to prevent them from rolling away unintentionally.
- Avoid contact with water or other liquids on the board to prevent damage to the materials.
- Only use suitable markers that are approved for the magnetic and writable surface.
- Magnets should be used with care to prevent objects from falling.
- Children should be supervised when using the board to avoid injury from sharp edges or heavy parts.
