Safety Instructions:

- Ensure that the product is mounted securely to avoid the risk of falling.
- Design packaging and labelling clearly to minimise the risks of improper use.
- Keep the product away from children and pets to avoid injury.
- Carry out regular checks for damage and improper use.
- Magnetic surface poses a choking hazard for children due to parts that can be swallowed.
- Do not use the whiteboard near water sources or in damp environments.
- Do not use unauthorised or unsuitable markers to avoid damaging the surface.
- Mount the whiteboard securely and stably on the wall to minimise the risk of injury and falls.
- Product not suitable for children under 3 years; use only under supervision for older children.
- Avoid improper use, e.g. as a ladder.
- Only use mild cleaning agents, no aggressive chemicals.
- Do not expose the whiteboard to direct sunlight to avoid discolouration.
- Keep small parts away from small children to prevent the risk of choking.
- Take care when using in the vicinity of magnetic or electronic devices.
- When using magnets: Observe distance to electronics.
- Keep whiteboard and components away from water and moisture.
- Do not use the whiteboard near sources of fire to avoid the risk of fire.
- Avoid excessive pressure when writing/wiping to prevent scratches.
- Installation must be carried out by qualified persons.
- When using magnets: Keep away from electronic devices.
