Safety Instructions:

- Make sure that small children do not play with the pin board, as there could be a risk of suffocation from small parts.
- Make sure that the pin board is securely attached to the wall to prevent it from falling down.
- Only use the pin board for its intended purpose and follow the instructions for wall mounting.
- Keep the pin board away from water and moisture to prevent damage.
- Protect the walls from damage by using integrated plastic corners.
- Avoid use in places where children have access without supervision, as there is a risk of injury if handled incorrectly.
- The product should not be installed improperly on walls or in regions with high humidity to avoid possible damage.
- Ensure that the installation instructions are read and followed to ensure safe installation of the panel.
- Remove all packaging materials before use.
- Protect the product from extreme temperatures and moisture.
- Check regularly for damage and replace if necessary.
- Do not install the cork board in the immediate vicinity of heat sources.
- The product is made from renewable raw materials, please follow the disposal instructions.
