Safety Instructions:

- Take care to store the screen safely to avoid damage and injury.
- Avoid using the screen outdoors in strong winds as this can cause it to topple over.
- Keep children away from the screen when it is being set up or dismantled to prevent injury.
- Make sure that the screen is stable and secure before using it.
- Wear suitable protective gloves when transporting the canvas to avoid injury from sharp edges.
- Not suitable for children under 3 years of age as small parts may be present.
- Do not stunt the mobile screen to prevent it from tipping over or falling down.
- Avoid contact with water, as the materials are sensitive to water.
- Secure the screen during use to prevent accidents.
- Only use the projectors intended for this purpose in order to avoid overheating.
- Read the operating instructions carefully before using the appliance for the first time.
