Safety Instructions:

- The product is suitable for wall mounting, so care should be taken to ensure that it is mounted stably and securely.
- The integrated viewing window must be checked regularly to ensure that the towel dispenser is never overfilled.
- The towel dispenser must be kept away from children to prevent improper use.
- The materials of the towel dispenser should be checked regularly for cracks or other damage to avoid injury.
- For hygienic use, hands should be washed before using the towel dispenser.
