Safety Instructions:

- Hold the tablet securely with the adhesive plate and the security cable to minimise the risk of theft.
- The product is not suitable for children under 3 years of age, as small parts may pose a choking hazard.
- Only use the product in accordance with the enclosed installation instructions to prevent breakage or other mechanical problems.
- Make sure that all cables are securely routed to avoid tripping hazards.
- Regularly monitor the condition of the product to ensure that there is no visible damage or wear.
- Only use the high-performance adhesive plate on suitable surfaces.
- The holder is only suitable for tablets from 7 inches; do not use smaller devices.
