Safety Instructions:

- Make sure that the tablet is securely clamped in the holder to prevent it from falling.
- Avoid use in extreme weather conditions, as this can affect stability and functionality.
- Ensure that the screws for locking the tablet are firmly tightened to prevent unintentional rotation or tilting.
- The support system and cable routing must be installed in such a way that there is no risk of tripping.
- The floor stand should be mounted on a stable surface to prevent it from tipping or falling over.
- Avoid using the floor stand in areas with high pedestrian density to minimise the risk of tripping.
- Keep the product away from water and other liquids to prevent damage.
- Use the product in accordance with the manufacturer's instructions to avoid injury and damage to property.
- Ensure that children do not interact with the product without supervision, as it may not be designed for their use.
