Article Numbers: 187798, 187797

Safety Instructions:

- Attention: High temperatures! The melting temperature is approx. 110°C.
- Suitable for heat-sensitive materials, but take care when handling Styropor® and soft PVC.
- Use only with the oval Low Melt 110°C adhesive cartridges.
- The hot glue gun should be kept out of the reach of children.
- Avoid direct skin contact with the hot adhesive to prevent burns.
- Caution: Choking hazard due to small parts.
- Read the operating instructions carefully before use.
