Article Numbers: 144813, 144812, 144811, 144810, 144809, 144808

Safety Instructions:

- Stacking hazard: Only stack up to 5 bar stools on top of each other to ensure stability.
- Observe load limit: Do not exceed a maximum of 110 kg per bar stool.
- Ensuring a secure stand: The bar stool must be placed on a stable and level surface.
- Choking hazard: Take care when using the packaging material. Not suitable for children under 3 years of age.
- Use only recommended by adults or under adult supervision, as there is a risk of tipping over.
- Do not use sharp or hot objects near the stool to avoid damage. Avoid contact with direct sunlight and moisture to prevent material damage.
- Do not overload the stools and do not use them as a climbing aid.
- Do not use aggressive chemical cleaning agents for cleaning.
- Do not use the bar stool if it is damaged.
- The bar stool is not suitable for children due to the risk of tipping over. Children should only use the bar stool under adult supervision.
