Safety Instructions:

- Choking hazard due to small parts or accessories stored near children's play areas.
- The load capacity of 5 kg must not be exceeded in order to avoid injuries.
- The product must be used on a stable surface to prevent it from tipping over.
- Care must be taken to ensure that users do not adjust the platform beyond their ability to use it safely.
- The accessory compartment allows you to store items; make sure that no heavy or loose items are placed on the platform.
