Safety Instructions:

- Caution when wall mounting: Ensure that the appliance is securely attached to the wall to avoid the risk of falling.
- Ensure that the appliance is protected against moisture to avoid electrical hazards.
- Only use compatible RFID cards to avoid malfunctions.
- Flow risk: Switch off the appliance before moving it to another location or carrying out maintenance work.
- Take care not to insert any foreign objects into the USB and network connections in order to avoid damage.
- The time recording software must be activated for a fee after 30 days. A return after activation is not possible.
- The device must be installed and used in compliance with data protection regulations in order to fulfil the requirements of the EU General Data Protection Regulation (GDPR).
