Please note the technical data of the products!

Article Numbers: 182521, 182520, 182498, 182497

Safety Instructions:

- Keep paper out of reach of children to avoid the risk of suffocation.
- Do not bring paper into contact with fire or high temperatures; avoid direct sunlight and moisture to ensure durability and print quality.
- Use only for the intended use as printing or copying paper and do not bring into contact with food.
- Correct storage in dry and cool rooms without direct sunlight to avoid deformation and moisture absorption.
- Do not touch with wet hands to avoid impairing the print quality.
- Ensure environmentally friendly disposal of the product.
- Supervise children when handling the paper to avoid swallowing small parts.
- Use ISO 9706 certified paper for archiving documents.
- Store safely to prevent damage from other chemical products.
- If the packaging is lost, ensure that there are no sharp edges or other hazards.
- Be aware of the possibility of allergies due to paper components.
