Safety Instructions:

- Not suitable for use by children. Smaller parts or objects may pose a choking or suffocation hazard.
- Only use the product for its intended purpose. Do not store near water, in a damp environment, in direct sunlight or at extreme temperatures to avoid material fatigue.
- If the product is damaged, do not use it and dispose of it immediately in a place inaccessible to children.
- Avoid cutting or sharp edges when handling the product and contact with sharp objects to prevent damage.
- Use the box on stable surfaces and do not stack heavy objects to avoid tipping or instability.
- Keep the suspension file box away from sources of fire, as the material can be flammable.
