### Safety Instructions:

- The product is not suitable for children and should be kept out of their reach. It should only be used by children under the supervision of an adult. Not suitable for children under 3 years of age due to choking hazard from small parts.
- Please note that improper use can lead to paper jams. Paper can tear if used improperly and release small pieces of paper that can pose a choking risk. If pieces of paper are swallowed, consult a doctor.
- Not suitable for contact with food. The product should not be used for direct food packaging.
- Avoid use in conjunction with heat sources. Avoid contact with open flames or extreme temperatures as the paper is flammable. The product should be stored away from fire as paper is flammable.
- Paper cuts can lead to minor injuries.
- Ensure that the paper is stored in a dry environment to prevent moisture damage.
- Provide labelling and safety information in a language easily understood by consumers.
